TIMELESS CLASSIC

Dressed in all-black, the Dometic HiPro Alpha A40S is a timeless classic that blends with just about every hotel interior. The 40-l-class absorption minibar is a very efficient performer, boasting the lowest energy consumption in its class. Totally silent, it discreetly does its job without disturbing the guests' sleep or rest. Moreover, it readily adapts to the minibar offer thanks to a versatile layout with five shelf slots. The shelf can be easily removed and rearranged as required. The sturdy door rack accommodates full-size wine and champagne bottles. Suitable for free-standing use or for integration into a piece of furniture with the quick-fix sliding hinge supplied as standard.

- Best-in-class energy efficiency – compliant with the EU's 2021 requirements for energy efficiency
- Noiseless absorption cooling for enhanced guest comfort
- Height adjustable shelf and six shelf slots to customise storage
- Two door racks with decorative trim – bottom rack fits 1.5 l bottles
- Quick-fix sliding hinge to install simply into a piece of furniture
