

REVOLUTION X UNLIMITED

THE *REVOLUTION X UNLIMITED* IS THE NEW OFFICIALLY LICENSED XBOX® PREMIUM CONTROLLER FROM NACON. COMBINING INNOVATION, PERFORMANCE AND DURABILITY, IT IS AIMED AT EXPERIENCED PLAYERS IN SEARCH OF EXCELLENCE.

KEY FEATURES:

X TRIGGERS WITH INSTANT RESPONSE, LIKE THE CLICK OF A MOUSE

X WIRELESS CONNECTION VIA BLUETOOTH OR LATENCY-FREE RADIO FREQUENCY

X INTEGRATED SCREEN WITH CUSTOMISATION INTERFACE

X HIGH-PERFORMANCE BATTERY WITH OVER 10 HOURS OF LIFE

X MAXIMUM PRECISION AND DURABILITY USING HALL EFFECT TECHNOLOGY

CUTTING-EDGE TECHNOLOGY FOR THE BEST GAMING PERFORMANCE

Thanks to technology such as Instant Triggers and ultra-precise micro-switch buttons, the *Revolution X Unlimited* is ideal for players in search of excellence in any type of game, and especially for FPS/TPS fans. The *Hall Effect* technology used in the triggers and sticks ensures enhanced durability and significantly reduces the risk of stick drift while providing precision and long-term reliability, even after lots of intense gaming sessions.

A REVOLUTIONARY WIRELESS CONNECTION

For the first time, NACON has designed a wireless Xbox controller that connects via Bluetooth or Radio Frequency. Via Bluetooth, players can easily connect the controller to any compatible peripheral, such as their PC, Smart TV or Android smartphone. That means they can play however they want, wherever they want.

NACON also provides a USB 2.4 Ghz Radio Frequency connection dongle compatible with the console or PC, providing minimum latency for optimum performance.

With over 10 hours of battery life, the controller is always ready for long gaming sessions.

UNLIMITED CUSTOMISATION

The other major innovation of the controller lies in its integrated screen. Players can easily customise their controller. They can also navigate through different game profiles and, with just a click, switch from one to another without having to use the Xbox or PC application. This feature makes it easy to adapt the controller to each game.

In addition, *the Revolution X Unlimited* includes 2 directional pads, 6 extra weights, 6 stick heads and 2 stick rings so players can adjust the ergonomics to their own playing style.
