| Termination method | Crimp termination                  |
| Gender             | Female                             |
| Number of contacts | 7                                  |
| Details            | for thermoplastic hoods / housings |

### Technical characteristics

|                           |                       |
|---------------------------|-----------------------|
| Rated current             | 10 A                  |
| Rated voltage             | 250 V                 |
| Rated impulse voltage     | 4 kV                  |
| Pollution degree          | 3                     |
| Rated voltage acc. to UL  | 600 V                 |
| Rated voltage acc. to CSA | 600 V                 |
| Insulation resistance     | $\geq 10^{10} \Omega$ |
| Limiting temperature      | -40 ... +125 °C       |
| Mating cycles             | $\geq 500$            |

### Material properties

|   |                        |
|---|------------------------|
| Material (insert)                         | Polyamide              |
| Colour (insert)                           | RAL 7032 (pebble grey) |
| Material flammability class acc. to UL 94 | HB                     |
| RoHS                                      | compliant              |
| ELV status                                | compliant              |
| China RoHS                                | e                      |
| REACH Annex XVII substances               | No                     |
